chemist which is proved to be for genuine medicinal or scientific purposes or, with the approval of the Director-General, to any distillation of essential oils.

[48/2007]

Power to enter licensed premises

69. A senior officer of customs, or any officer of customs deputed by him or her for the purpose, has at all times access to any premises licensed under this Part.

PART 8

70. to **77.** [*Repealed by Act 5 of 2015*]

PART 9

DRAWBACK

Drawback on imported tobacco manufactured in Singapore

78. Where any tobacco on which duty has been paid is manufactured in Singapore and is re-exported as part or ingredient of the manufactured tobacco, the Director-General may, on such re-export, allow to the manufacturer a drawback of the whole or such proportion of the duty paid as the Minister may prescribe if —

(*a*) the tobacco has been manufactured in a factory licensed under section 63(1) or under section 83(3) for manufacturing dutiable goods;

(*b*) provision to the satisfaction of the Director-General has been made for the control and supervision in the factory of the deposit and issue for use of the tobacco on which duty has been paid;

(*c*) the tobacco has been imported by the manufacturer or purchased by the manufacturer before removal from customs control;

(*d*) the tobacco is re-exported within 6 months from the date upon which excise duty was paid; and
